Complaint Procedures for Federal Programs Under
The Elementary and Secondary Education Act (ESEA)

A. Grounds for a Complaint
Any individual, organization, or agency (“complainant”) may file a complaint with Bibb County School District (BCSD) if that individual, organization, or agency believes and alleges that BCSD is violating a Federal statute or regulation that applies to a program under the Elementary and Secondary Education Act (ESEA). The complaint must allege a violation that occurred not more than one (1) year prior to the date the complaint is received, unless a longer period is reasonable because the violation is considered systemic or ongoing.

C. Complaints Originating at the Local Level
As part of its Assurances within ESEA program grant applications and pursuant to Section 9306 of ESEA, an LEA accepting federal funds must have local written procedures for the receipt and resolution of complaints alleging violations of law in the administration of covered programs. Therefore a complaint should not be filed with the Georgia Department of Education until every effort has been made to resolve through local written complaint procedures. If the complainant has tried to file a complaint with Bibb County School District to no avail, the complainant must provide the Georgia Department of Education written proof of their attempt to resolve the issue with Bibb County School District.

D. Filing a Complaint

7. The complaint must be addressed to:
   Bibb County School District
   The Office of Superintendent

   Once the complaint is received by Bibb County School District it will be copied and forwarded to
   the appropriate Federal Program Director/Coordinator.

E. Investigation of Complaint

   Within ten (10) days of receipt of the complaint, Bibb County School District will issue a Letter of
   Acknowledgement to the complainant that contains the following information:

1. The date BCSD received the complaint;
2. How the complainant may provide additional information;
3. A statement of the ways in which BCSD may investigate or address the complaint; and
4. Any other pertinent information.

   If additional information or an investigation is necessary, BCSD will have sixty (60) days
   from receipt of the information to complete the investigation and issue a Letter of Findings.
   If the Letter of Findings indicates that a violation has been found, a timeline for corrective
   action will be included. The sixty (60) day timeline may be extended if exceptional
   circumstances occur. The Letter of Findings will be sent directly to the complainant, as well as
   the other parties involved.

F. Right of Appeal

   If an individual, organization, or agency is aggrieved by the final decision of Bibb County School
   District, that individual, organization, or agency has the right to request review of the decision by
   the Georgia Department of Education.

   For complaints filed pursuant to Section 9503 (20 U.S.C. 7883, complaint process for participation
   of private school children), a complainant may appeal to the Georgia Department of Education no
   later than thirty (30) days from the date on which the complainant receives the Letter of Findings.
   The appeal must be accompanied by a copy of the Bibb County School District’s decision and
   include a complete statement of the reasons supporting the appeal.
