FOR INFORMATIONAL PURPOSES ONLY
The Education Special Purpose Local Option Sales Tax (ESPLOST) continuation would authorize the district to levy and collect a one percent sales tax to help fund facility construction, renovations, safety and security improvements, 21st century instructional technology upgrades, and district-wide athletic facility construction and improvements. The ESPLOST cannot be used to pay expenses, such as salaries and operational costs.

The ESPLOST continuation provides a method of funding educational improvements in which everyone contributes—not just property owners. Macon-Bibb County especially benefits from being a retail center in Middle Georgia, and sales tax is paid by everyone who shops or stays in Bibb County.

The continuation of the ESPLOST would extend the current education 1 sales tax for an additional five years.
