DISTRICT HOSTING SCHOOL-BASED FLU VACCINATION CLINICS

September 27, 2022

(MACON, GA) – With flu season beginning, the Bibb County School District is partnering with the Macon-Bibb County Health Department as well as Atrium Health Navicent to provide flu vaccines at schools. These vaccines will be available with parent consent to students at the elementary, middle and high school levels.

Vaccines will be given at scheduled dates and times at various schools. Members of the media are invited to Alexander II Magnet School, located at 1156 College Street, on Wednesday, September 28, at 9:30 a.m. for video and photos of this initiative.
