

Volunteer / Chaperone Application and Information Packet:

All volunteers and chaperones who will be interacting with students are required to complete a Bibb County School District Volunteer Application. All applications should be submitted to the school principal or designee. Parents visiting their child's classroom or having lunch with their child are not required to have a background check. An application packet consists of the following documents:

- Volunteer Application,
- Volunteer Informed Consent Release and Hold Harmless Agreement; and a
- Criminal History Record Information Consent/Inquiry Form.

All volunteers are required to submit to a Background check.

Local Background Checks

Volunteers wishing to assist in the classroom or chaperone an in-state field trip are required to submit to a local background check. This type of volunteer is best defined as anyone assisting at the school for more than 30 minutes at a time. Individuals who wish to have lunch with a student are not required to have a background check.

Local background checks are processed in the Human Resources Department and **access the criminal history in the State of Georgia only**. To undergo a local background check, parents/volunteers must submit a completed **Criminal Background Check Authorization form** and a "**Consent Release & Hold Harmless Agreement**" form. These forms are included in the application packet and can be obtained from the school or BCSD website. The completed forms must be turned in to the school in which they wish to volunteer along with a valid ID.

FYI: Local Background Checks take about a week to process. We ask that the school turn the Background Check and Consent Release forms along with the valid ID to the Human Resources Department at least two weeks prior to the field trip.

Fingerprint Background Checks

It is mandatory that all parents/volunteers wishing to chaperone an overnight field trip be **fingerprinted** by the Human Resources Department. There is no charge for this service. Required forms are in the HR Department; the volunteer must bring a valid photo ID to be fingerprinted.

FYI: After the parent/volunteer is fingerprinted it takes 24 to 48 hours to get the results. Once approved, volunteers are eligible to chaperone overnight field trips for the current school year.

All school rules apply on school sponsored field trips. Teachers, chaperones and volunteers are expected to comply with school policies, follow the directions given by the organizing teacher, work cooperatively with staff members, and model appropriate behavior for students. The volunteers/chaperones will follow the trip plan developed by the organizing teacher.

Volunteers and Chaperones include anyone providing supervision while actively interacting with students, or anyone having responsibility of students of Bibb County Schools. The period of supervision also includes activities outside the normal school day such as field trips, athletic events, etc.

Requirements of volunteers/chaperones before they can interact with students:

- A. Watch the Department of Education (DOE) Mandated Reporter Power Point.

- B. Consent to local background check. Principal will be notified if an issue is identified on the background check.
- C. Sign the volunteer statement indicating the PowerPoint has been viewed and that the school protocol and mandated reporting law is understood.
- D. Show a photo ID before performing all volunteer activities.

If you have any questions regarding the volunteer and chaperone process, you may contact the school or Human Resources at 478-765-8571.

Note: *The entire Volunteer/Chaperone packet must be completed, signed, dated, received by the school principal and approved by the system before the volunteer activity begins. This packet will be valid for the current school year. A new packet will be required for each subsequent school year. Thank you for your cooperation in this matter of mutual concern.*

BIBB COUNTY SCHOOL DISTRICT

Volunteer Statement 2019-2020

1. I have watched a Mandated Training Power Point provided by Bibb County Schools.
2. I understand that it is law that I report immediately any suspected abuse. Reports are made to a school administrator or counselor as this is Bibb County Schools policy. I understand it is a crime if I do not report suspected abuse.
3. If a school official is not available, Georgia law requires that I make an oral report of suspected child abuse immediately to the Department of Family and Children Services (DFCS), law enforcement, or a district attorney within 24 hours.
4. If I suspect a child is in immediate danger, I shall call 911 immediately.
5. I understand when I make a report or cause a report to be made, mandated reporters only need to have “reasonable suspicions”, no direct evidence.
6. I understand it is against the law for any mandated reporter to notify the parent that a referral has been made. It is the policy of DFACS that Child Protective Services notify the parent upon investigation. **Do not contact the parent or guardian.**
7. I will not conduct an investigation, and I will not question a child for any reason.
8. **I will keep all matters confidential.** This is a legal requirement.
9. By causing a report to be made to a child welfare agency or by participating in any judicial proceeding, I understand that I am immune from any civil or criminal liability, provided that I am acting with good intentions.
