

## Westside High School Milestones and AP Testing - Parent Notification (Facebook)

WHS Parents,

Georgia Milestones and Advanced Placement (AP) testing will **begin April 24 and end May 10, 2017**. Please ensure that your child takes every opportunity to review critical knowledge and skills in continued preparation for the Georgia Milestones End of Course (EOC) Test and AP exams. Westside provides students with several test preparation resources for use at school and at home:

- Noles Nation Tuesday & Thursday and designated Saturdays (see website)
- Daily Milestones and AP test item bell-ringers in every core class
- Critical standards review with team teachers prior to testing
- Study Island, online resource available at school and at home
- Spring Break packets and course notes (student course notebooks)

**Before and during testing**, encourage your child to complete a Study Island exercise daily in each tested subject and to review course notes, Spring Break packets, and previous assignments and exams.

**During testing**, ensure that your child goes to bed early, is well rested, eats a good breakfast, and arrives to school by 7:30 am. Finally, encourage your student to do his/her best.

Study Island
<b>Study Island</b> <a href="http://www.studyisland.com">www.studyisland.com</a> <u>Student Login</u> username: firstnamelastname-westside password: student's lunch number

Please refer to the district's testing schedule below.

Wishing Us All Success!

WHS Administrators and Teachers
