DISTRICT SCHOOLS NAMED AP HONOR SCHOOLS BY GEORGIA DEPARTMENT OF EDUCATION

February 27, 2017

MACON, GA – This week, State School Superintendent Richard Woods named four District schools [Advanced Placement \(AP\) Honor Schools](#). Howard, Rutland, Southwest and Westside High Schools were each named 2017 AP Honor Schools.

AP classes and exams are administered by the College Board, which also administers the SAT. These courses offer rigorous college-level learning options to students in high school. Students who receive a 3, 4 or 5 on AP exams may receive college credit.

In an effort to enhance the AP Program, the District has established a partnership with the College Board to foster an academic program that yields universal achievement and college and career readiness for all students. The District's ultimate goal is to increase overall AP participation and performance; increase depth of knowledge by expanding stakeholder capacity and pipeline for college and career readiness; and increase participation on the SAT to enforce a serious college-going culture.

Bibb schools were named AP Honor Schools in two categories based on results of 2016 AP classes and exams:

AP STEM Schools: Howard and Rutland High Schools

Schools with students testing in at least two AP math courses and two AP science courses (AP Calculus AB, AP Calculus BC, AP Statistics, AP Biology, AP Chemistry, AP Environmental Science, AP Physics B, AP Physics C, AP Computer Science).

AP Challenge Schools: Northeast and Southwest High School

Schools with students testing in at least two AP math courses and two AP science courses (AP Calculus AB, AP Calculus BC, AP Statistics, AP Biology, AP Chemistry, AP Environmental Science, AP Physics 1, AP Physics 2, AP Physics C, AP Computer Science A).
