Dear Parent/Guardian:

The Bibb County Board of Education has approved for our District Calendar to include ½ days throughout the school year. The first ½ day on the District Calendar is next Wednesday, **September 21, 2016**.

There will be **no school** on this day for students enrolled in the **PLC program**. Instead, they will work from home. PLC students are, however, given an option to sign-up for **tutoring** on this day from **8:20am-11:00am**. Parents of PLC students who would like to take advantage of tutoring are responsible for **dropping off** and **picking up** their children from school on this day because buses will not be available.

If you would like to sign your child up for tutoring on this day, please return the bottom portion of this letter to the school by Friday, **September 16, 2016**. Students will not be eligible to come for tutoring unless this letter is signed and returned by the deadline.

Sincerely,

***Dr. Terese Martin***
