PASTRIES WITH PARENTS

Mark your calendar for Monday, September 26, 2016 for Pastries with Parents. The event will commence at 8:00 a.m. and conclude around 8:30 a.m.

The goal of this meeting is to share with our parents how they can Play a Role in their child's education.

Communication between the school and the home is of great importance. We will share ideas of ways to stay involved in your child's education and to regularly stay in communication with the school.

We are on the same team; we all want what's best for our students!

THE LEADER IN ME

Each new school year brings opportunities for academic growth and growth in all areas of development. As we continue on our Leader in Me journey, we will provide each child an opportunity to develop his or her unique gifts and talents as leaders.

As leaders, students become active, engaged partners in their own education. Their self-confidence, responsibility, and initiative grows.

Our students will learn to listen to new ideas, work together to achieve results, and motivate one another to be the best they can be.

PARENTAL INVOLVEMENT

Volunteering is a great way to show your child that you take an interest in their education. Volunteering not only benefits your child, but also, it benefits the overall school environment by making it a more positive place.

With that, field trips are an important extension of a child's classroom education. One way in which you may consider volunteering is being a chaperone on a field trip.

This is a reminder, you must have completed a volunteer packet, including a background check, in order to be able to participate in these experiences.

Please be reminded the TARDY BELL rings @ 8:20 a.m. Students arriving at 8:20 a.m. are tardy and begin their day behind.
